

Southport & Birkdale Sports Club

County Cricket Ground, Trafalgar Road, Southport, Lancashire.PR8 2HF Tel/Fax. 01704 569951

March 2020

Dear Member,

Welcome to another year of membership, this letter is to remind members that the time has come to renew your membership in order to use the Club Facilities and **get weekly information on what is happening, either through our website, via email or on the screens in the foyer, and become more involved in the Club activities.**

Attached are the subscription rates and types of membership for the year with effect 1st April 2020. This year, with the continuing spending on Club Refurbishments, the General Management Committee (GMC) have decided to alter a number of membership types. There will no longer be any Joint memberships, but each adult member shall now pay the single membership tariff. Transitional membership has also been deleted and the Student membership reduced to two separate levels. For students studying within 20 miles of the Club, or within the boundaries of the M55/M6 and M62, the fees will be reduced to £66 per year and for Students in full time study, elsewhere in the UK the fees will be £33 per year. Once again, if adults pay their subscription, **in full**, within 30 days of the due renewal date, for most categories you will earn a **non-refundable credit to your S&B Clubcard** equal to the value of the amount given against your subscription rate. In the case of family memberships the credit will be allocated equally to both adult members, unless the membership secretary is notified otherwise. **Prompt payment of your subscription is very important to the functioning of the Club, as it improves cash flow.**

You will have seen that the number of social events have now increased since the major club refurbishment, and we hope that you are finding this an exciting move forward.

We are continuing the **Reward Scheme**, to existing members, who **introduce some categories of new adult members to the club.**

Completed subscription forms should be returned to the club with the relevant payment, alternatively, if you are paying directly by one of the methods below, you can email the completed form to tgaddok@aol.com. Payment can be made by cash, cheque, debit/credit card, Bank Transfer (BAC) or Direct Debit. Members can also spread the cost by arranging a monthly payment by standing order, **S/O payments do not attract the early payment credit. Members paying by BACS or continuing their standing order, must complete a renewal form to receive their new membership card.** Members paying by S/O or BACS should review their payments annually in order to ensure that they are paying the correct amount. Contact the undersigned with any queries in connection with membership.

On receipt of payment members will be issued with a new membership card, which must be carried at all times when you are using the club. Members not able to produce a valid membership card may be asked to leave. We have previously experienced problems with non-members using our facilities and therefore membership checks are necessary from time to time. Please do not be offended if you are asked to show your card.

The introduction of the new rules on data protection (GDPR) in May 2018, has meant that you have to agree to us holding the data that you give us, this can be done by ticking the relevant box on the renewal form.

Please note that with any of our sports membership categories, additional fees may be incurred for coaching, match fees, squash and tennis court booking and heating supplement. Coaching of any sport is obtainable for members.

Guests are always welcome to the club and must be signed into the visitor book which is held in the bar. Visitors playing Squash or Tennis are required to pay a £3 visitors fee. Your guests can attend 3 times before they must become a member. Please refer to S and B Rules for terms of membership.

Yours sincerely,

Tony Gadd
Membership Secretary
